DRUMS

Net weight (per unit): **300 kg**
Gross weight (per unit): **310 kg**
Dimensions, each unit (diam.x H): **23x39.75 in**
Optimal palletization: **4 drums**
MOQ: **1 x 300 kg**

IBC

Net weight (per unit): **1450 kg**
Gross weight (per unit): **1506 kg**
Dimensions, each unit (LxWxH): **1200x1000x1160 cm**
MOQ: **1 x 1450 kg**

CHOOSE YOUR COLOUR AND TASTE

LIGHT COLOUR

Light coconut blossom syrup is directly produced from the sap of the cut flower buds. The heating process leads to a delicious sweetener with an aromatic mild flavour and a slight note of caramel.

DARK COLOUR

For the dark coconut blossom syrup the sap of the cut flower buds undergo a more intense heating process. The result is a slighty higher viscosity and more liquorice taste. Excellent for refining drinks and food.
